

Grade 5- SIGHT-READING

This document provides essential practice material for candidates preparing for the Grade 5 ASIM Music Examination. It includes specimen tests for the new sight-reading requirements from 2025, reflecting the technical level expected in the exam.

Please print this document and bring it with you to your practical examination.

During the exam, the examiner will select one sight-reading test for you to perform. They will provide the test number, and you will sing it as part of your assessment.
