

## INSTRUMENTS

Instruments are divided into **vibratory,percussive,pneumatic** and **concussive** kinds.These were called **Thatha,Anabadha,Sushira** and **Ghana**.

The first comprised all **stringed** instrumnets;

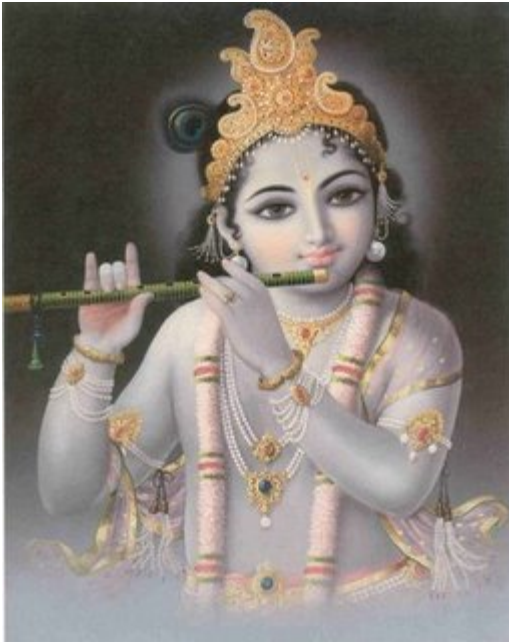

the next included instruments of **percussion** , such as

drums,mridanga etc;

the **Sushira** included wind instruments such as flutes,conch-shell,horns;

and **Ghana** included those made of brass and other metals such as bells, cymbals etc.
